Chapter 30 The Sickness Unto Death ①

I have a feeling...

that something's off.

The Clubroom, Once Again

ばっ

...Huh? Was it always like this?

The school's in Italy, and everyone's wearing swimsuits.

Onii-chan! Pass!

Assistant Club President's BRA

ぽぉ…っ

Huh-

The fluttering straps of the bra in midair.

Hyaaaa!!

Its soft touch as it wraps around my palms.

ぽい～

Nice! Bra! Return...!

Uweeehh! Stop that already!!

Here!

We're getting excited, aren't we!? Bra! We're playing catch!

Put it baaaack!

Don't pass it back to meee!!

This place is Maeterlinck's paradise.

The bra's scent is filling the air.

The blue bird was actually here!

ｶﾁｬ

Ngoh!?

ふぅ

...Eh?

Oi, Hentai Prince.

"Hentai Prince"...?

I understand that the Hentai Prince enjoys playing baseball,

ぴくり

You incidentally used the lingerie there as a ball,

and there are times you really want to play catch.

and I understand that as well.

She's stripping...?

そ、そんなに…

!?

!?

why are you stripping, Assistant Club President!?

Wh...

いや…

Eh-

A raw sports bra that she just took off...

From now on, use this. It's easier to throw.

I'm going to change into my swimsuit now, so come out.

Eh-

Return it once you're done with it.

I'll keep this a secret from everyone.

What are you so surprised about?

Yeah! You must be right!

Swimsuits are our school uniforms, you know?

Swimsuits are the best!

Swimsuit wedgie banzai!

Hentai Prince!

Ah, there's the Hentai Prince!

Youto-onii-chan, is high school fun?

It's extremely fun!

Geez, if this were the athletic festival, I'd explode!

Satisfied! Filled! Mongoose!

Thanks for showing me around!

Eh? You're fine already?

There's still lots of places you haven't seen yet.

Yeah! I thought so!

Athletic festivals are fun!

Mm... Well really, this isn't fine at all, but...

Onii-chan has stuff to do too, right?

Ah- You're pretty cute, aren't 'cha?

TL Note: The mongoose line is lost in translation. Basically, all three words start with "man" in Japanese.

...Ooh... Good girl, good girl...

Well, I certainly have things to do, but...

Emi's a good girl, so she doesn't want to make Onii-chan go around over and over in circles...

I wanna prepare for the athletics festival and find out how to become a swimsuit expert!

I think the pool would be better!

Actually, instead of that,

The music room's only fun if Onii-chan's there with me!

Alright, I'll bring you to the music room for now then-

What would happen if I did that?

"I wish to experience the club! I'm going to perform the same stuff as Yokodera!".

A "swimsuit expert", huh...?

I wanna find out! I wanna find out! I wanna find ouuuuuttt!!

Yahoo! I'll try my best!

I think.

If Koutetsu-san's thrilled, Emi can become a "swimsuit expert" too!

Alright then. In the sports ground, try telling Koutetsu-san

TL: Koutetsu means "steel".

I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years.

Because I need to head on over to Tsukiko soon, or else...

The key lies in how you take intervals!

Well then, I'll join you after I've done my business!

Oh?

What a solemn bell chime...

If you close your eyes, it feels as if the wind and waves of the Adriatic Sea from the medieval times are approaching you.

Catch the hint that I want you to put me first.

Tsk-

You useless *pumpkin dork.*

にぃ～

Hm?

It feels like I heard something...

Maybe I was imagining things...

Did the tour with Emanuela-san go well?

I ended up leaving her with Koutetsu-san.

I wanted to eat together with Tsutsu... er, Tsukiko, so...

Hm? You're letting me try your pasta?

Thanks!

.....

スッ

...That so?

It's nothing.

I just wanted to do that for *myself.*

And thanks for earlier too.

For going on ahead to school first.

You were being considerate to me, weren't'cha?

"For myself"...

You don't really think much about Emi, do you?

.....

You didn't want to be together with Emi, or something like that?

I'm making a little analogy here, but...

Senpai, please imagine yourself playing doubles in tennis.

One day, you're told by your companion, "I'm no match for you."

"You're well-connected both far away and up close and we're only together occasionally, so I should just keep my hopes up instead."

Oh-ohh...

if your companion joins doubles with some other person while giving off a look as if nothing's wrong,

in hopes that the day will come when you can stand in the same court together with him.

In spite of that, you decide to endeavour in your training

However, soon after that,

...Er...

how do you think you would feel?

If he smiles lecherously while being called "Onii-chan",

how do you think you would feel?

Why are you apologizing?

Um... For the time being, I'm sorry...

...deceived, I guess...

Yes, those are the feelings I bear towards Emanuela-san.

As if you were aiming for that girl all along.

Bu- but...

In that case, it's not the new girl's fault, right?

has the smell of a wicked woman

who is extremely sly and breaks the rules to get her way.

But you see, she...

unpleasant.

Somehow, she's really
